Request

This is a request under the Freedom of Information act for the following information:

1) A copy of any studies or research that has been done into the impact Brexit will have on conservation in the UK.

I would be grateful if you could confirm by email that you have received this request.

I look forward to receiving your response within 20 working days, as outlined by the statute.

Reply

Thank you for your request for information, received by JNCC on Wednesday 4 July 2018, which we have dealt with under the Environmental Information Regulations 2004.

You requested a copy of any studies or research that has been done into the impact Brexit will have on conservation in the UK.

With our apologies for the extended time this has taken, we would respond under **Regulation 12 (4)(a)**: *Does not hold that information when an applicant's request is received*. At this time, JNCC has undertaken no study or research into the impact of the UK's exit from the European Union on nature conservation in the UK.

Please acknowledge receipt of this email. If you require any further detail please do not hesitate to contact us.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint please contact Kirsty Meadows (kirsty.meadows@jncc.gov.uk).

If you are still not satisfied following this, you can make an appeal to the Information Commissioner who is the statutory regulator. The Information Commissioner can be contacted at:
