Request

Am I right in thinking that the most recent report to the European Commission under Article 12 of the Directive appears to be the 10th report covering the period 2008-2012?

If I am wrong, please inform me of any subsequent reports and where they can be found (or send me as an attachment please).

If I am right, when is the next report is planned for submission?

Thank you for your request for information, received by JNCC on Thursday 4 October 2018, which we have dealt with under the Environmental Information Regulations 2004.

You requested information on reports to the European Commission under Article 12 of the Birds Directive, specifically whether the 10th report (covering the period 2008-2012) was the most recent or if there any subsequent reports.

The 10th UK Birds Directive (Article 12) report covering the period 2008-2012 is the most recent (details on the report and downloadable files it can be found here: <http://jncc.defra.gov.uk/page-6526>.)

The 11th UK report is due to be submitted to the European Commission in summer 2019 covering the period 2013-2018.
